Christmas 2014 / New Year roundup of events

Here at the desk of the Newsletter Editor, We've had a break over the Christmas New Year season but we're back into it again. Don't forget that while the newsletter editor has a break, our ever vigilant Website Administrator does his best to continually update our website. This means you can keep in touch with the latest happenings at any time. Remember also you can read the latest and other back issues of the newsletter at any time from the website www.nhwfernygrove10.org

A lot has happened since our last newsletter. Our 20th Anniversary celebrations went very well. (Photo) The weather was fine and warm and we had a good representation from the three levels of

Government and from the QPS. Hats off to the Coleraine St crowd. Just this street alone managed to produce 12 people which if reproduced across the suburb, would have meant a real shortage of sausages at the BBQ !

Surrounding NHW groups have also been active. Keppera (Kings Park) NHW held a very successful Neighbourhood Day on 12/10/14 as did the Mitchelton NHW group at Fenwick Park on 19/10/14 Both of these events set out to give their local communities the opportunity to get to know each other better and by all accounts, did it very successfully.

Street Signs

Below are examples of suburb signage which we hope to get replaced this year. While we announced the expected installation of the new signs last year, the process of getting BCC approval took longer than we anticipated. However progress has been made and all going well we should see them going up shortly. Remember if you would like a letterbox plaque, please email us with your contact details. Assistance can be given to affixing them if you don't feel confident in doing this.
