

PROPOSED NEIGHBOURHOOD WATCH - FERNY GROVE

P U B L I C L A U N C H

You are aware that a Neighbourhood Watch program is planned for that section of Ferny Grove bounded by part of McGinn and Archdale Roads, Rinavore Street and Lanita Drive and in the north west areas including all of Kirikee, Leckmy and Corrofin Streets together with Mullacor, Moira, Killyon, Cabragh, Tarmon, Tumna and Glencoy Streets in the proposed watch area.

The majority of householders have already signed petitions confirming their agreement to the launch of a NEIGHBOURHOOD WATCH in the above boundaries. Due to a number of initial delays, the provisional date for the launch had to be extended past the October date. If any householders have NOT signed a petition, would you please call your local Zone or Block co-ordinator who will arrange for your signature on his or her petition form.

The date for the PUBLIC LAUNCH of this Neighbourhood Watch has been confirmed for Tuesday night, 8TH NOVEMBER 1994 COMMENCING AT 7.30 PM AT THE FERNY GROVE HIGH SCHOOL, MCGINN ROAD, FERNY GROVE.

If you would like further information, PLEASE telephone one of the following executive members:-
